"Engaging instructor, very funny, approachable and answers questions clearly."

He went very fast and it was quite hard to keep up. I dont think it was him personally but it was more the amount of material he needed to go through.

He was great. It was difficult to deal with the volume of content that was thrown at us however.

He's top shelf

"Sam is, and will always be, one of the best facilitators I have had. He is excellent at engaging the students and providing well reasoned approaches of the material."

awesome.

Sam was able to teach the material while actively involving and entertaining the class. I found this made for a very comfortable and effective learning environment.

Excellent facilitator

He is very great at answering questions and giving further explanation when students still don't understand.

He's Terrific
