Sam is awesome. The course was extremely well delivered. Thank you!

Sam was **OUTSTANDING**. I was so very pleased and expressed with his presentation of the topics; discussion; and personality. He is an exemplary FFIS facilitator.

Sam was very organized and was able to clearly explain all issues and provide concise answers to all the students' questions

Very informative and useful. Sam is lively which keeps the students awake and focused on the FFIS material.

I was very happy with Sam's facilitating; it was forceful but not pushy. He worked hard to encourage us to participate collectively and in our table groups.

The best facilitator I have had so far in 4 modules. Sam really knows his stuff and is able to present it in an engaging manner.

Sam was fantastic - super enthusiastic and facilitated great discussion in the class.

Sam did a fantastic job keeping the class engaged and directing the sessions

Great facilitator! He made the session interesting and fun for the students; but at the same time we covered all the required material.

Sam was awesome; very informative

Sam is very engaging and makes the face to face sessions far more enjoyable.

Sam did an excellent job over the weekend focusing on the key areas and keeping to the agenda.

Great!

Best facilitator I've had so far!

He is a great facilitator and I heard good things about him before F2F. He was very good at explaining complex issues and he made sure to focus on the areas the students were interested in. And he also injected humor which kept us interested. I was looking forward to having him facilitate face 2 face; he did a great job.

great speaker and stories are interesting
